BEELiNE BLUE

PRINTING & SCANNING EQUIPMENT

FEATURING THE CANON
TZ-32000 MFP Z36

2026-27 EDITION

Whether color or black and white, we can provide you with the most cost-effective equipment that fits your needs exactly. Not only that, but we help service your equipment too!

It's 3 a.m. and your eyes are about to serve you papers and leave you. The reek of burned coffee has invaded every part of your being. But the proposal is done. Now you can relax. Except you can't, because you need this proposal in 300 bound copies, with covers, in five hours.

Now, had you invested in your print independence sooner, you wouldn't be in this pickle. You'd be able to print everything you need for your project. From those proposals, to the big graphs and charts you just remembered you also need, and more.

Save yourself from 3 a.m. despair and get ahead of the curve for next time. Whether color or black and white, we can provide you with the most cost-effective equipment that fits your needs exactly. And you can also rest easy knowing we provide full service for your machines.
